

MART now has bike racks on all our fixed route buses and shuttle vans

You may purchase passes at any of the following MART locations:

- 100 Main St, Fitchburg, MA
- 1427R Water St, Fitchburg, MA
- 555 Main Street, Gardner, MA

MART buses and shuttle vans accept the CharlieCard™. This fare card is how we issue MART's bus passes. Riders can also put cash stored-value on the card to use for single bus trips. CharlieCard™ stored-value lets you ride on MART and nine other RTA's (such as WRTA in Worcester) or the MBTA bus/subway system.

BAD WEATHER RULES

- Some MART bus routes travel alternate roads known as Snow Routes during icy or snowy conditions. This may cause certain bus stops to not receive service.
- For safety reasons, MART has the right to postpone or cancel service or to deviate from its regular routes because of accidents, bad weather or other emergencies. For updates tune to **WPKZ AM 1280**; call MART at **800-922-5636**; or visit our website at <http://www.mrta.us/customer-information/service-alerts>.

Please read below carefully:

These shuttle routes are different from a regular shuttle or bus routes as they are semi-deviated. It has Guaranteed (fixed) Stops at set times (in dark yellow) and at estimated times (in lighter yellow). Guaranteed stops repeated at the bottom are estimated on the return back to the Intermodal Center, as well as on-demand. The blue stops on the Worcester shuttle are only guaranteed if someone boards in Fitchburg or Leominster (dark yellow). White lines are only suggested stops and are not meant to be accurate or complete. These stops are requested by the customers that board each shuttle at any of the Guaranteed Stops (or by booking a ride) and can vary each day on each shuttle. **Since these stops are not fixed, you must call 1-800-922-5636 option 3 for a return ride at least one hour prior to the scheduled start times above.** (If you don't call we won't know where someone is waiting to be picked up.) **You need to call for return trips (both pickup & drop-off) at stops with asterisks (*) as well.**
