ON-DEMAND SERVICE:

Service to the Devens Area is an **on-demand taxi service**. This service costs \$2 per ride and goes between the stops in the table and the Devens Area. It takes between 10 and 45 minutes (from the Mall) to arrive at your desired stop location in Shirley, Devens or Ayer. It all depends upon where you are going and how many other riders are sharing this on-demand loop. Rides coming back to the Fitchburg/Leominster from the Devens Area could coincide with drop-offs to those locations.

All loops run 7 days a week, except holidays.

If you need a ride to the Devens Area you must call the MART Office (**978-345-7711, option 3**) no later than 4:20pm **the business day before**. (Call Fridays for Saturday, Sunday & Monday)

Standing Orders may be booked for set schedules. So in other words, if your schedule doesn't change, you can book all rides for the month at once.

Just tell the representative where and when you will be waiting to be picked up (from the listed blue stops) and where you need to go. Pickup times will be the same as the times listed in the schedule to the left. Please tell us if you need a return ride (and what time that is too), within the parameters above.

Don't live close to the blue stops and need a ride home after Loop 6? Use MART's JARC Service for \$2 per ride. It runs everywhere in Fitchburg and Leominster from 8pm to Midnight. Call 978-345-7711 for more information.
