## ATTENTION!

MART announced on April 1, 2022 that we will be installing new fareboxes. Installations will begin May 8<sup>th</sup> and therefore **MART will be using paper passes for the month of May.**

When you come to a MART Pass Sale Location and ask for a monthly pass you will receive an embossed paper pass. Passes without the MART embossment are not valid.

**MART will also not charge any fares, on any service, from Monday May 9<sup>th</sup> thru Saturday May 14<sup>th</sup>** while we are installing and changing our fareboxes in all our fixed route vehicles.

To find out more about our new fareboxes visit our website or find the video on our Facebook page (/MARTtransit).
